

## BENEFITS OF CONNECTED SERVICES

### Uconnect® + SiriusXM Guardian®

Uconnect® offers state-of-the-art connected services that are powerful and easy to use. Enjoy the peace of mind that comes with added **safety**, **security** and **convenience** features that are there when you need it most.

- One-year free trial period from date of purchase or lease (activation required)

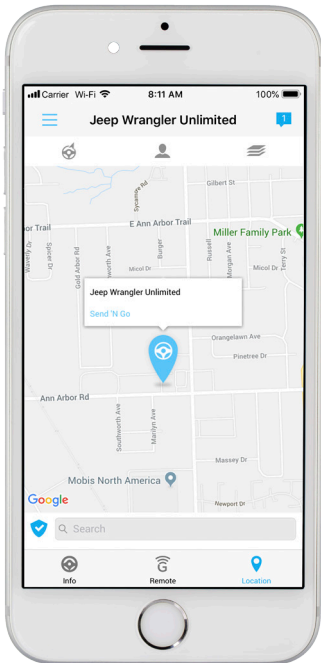

### Uconnect Mobile App

**Connect to your car, no matter where you are.**

Your whole world is on your phone. Now, that includes your car. With the Uconnect app, you can take driving to a whole new level—before you ever get behind the wheel. You'll have more convenience, more control and more peace of mind—right in the palm of your hand.

Not sure if you locked your car? A simple tap puts your mind at ease.

### Remote Services

**Remote Horn and Lights:** Sound the horn and flash the lights to help locate your vehicle in a crowded lot.

**Remote Vehicle Start:** Warm or cool your vehicle before you get in. \*

**Vehicle Finder:** Forget where you parked your car? A quick tap allows you to view the location on a map.

**Send 'N Go:** Easily search, map and send locations directly to your vehicle's navigation system (requires Uconnect navigation).

**Smartwatch Integration:** Get instant access to the app on your Apple® Watch or Android™ Wear

\*Remote Vehicle Start is not available on all vehicles.

### Safety and Security

**SOS Call:** In the event of a minor collision, medical or any other emergency, press the SOS button to be connected to an agent who can send emergency assistance to your vehicle's location.

**Stolen Vehicle Assistance:** Should your vehicle ever be stolen, a SiriusXM Guardian agent can assist police in locating it using your vehicle's embedded GPS technology.

**Theft Alarm Notification:** Receive your choice of a text, email or push notification if your vehicle's theft alarm is triggered so you are immediately aware.

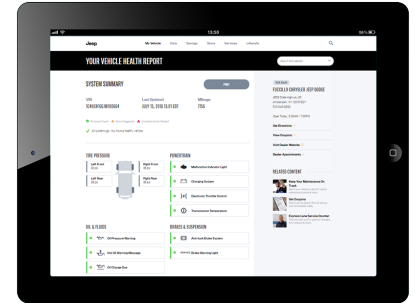

## BENEFITS OF CONNECTED SERVICES

### Vehicle Health Reports

**Monthly Health Report:** This report is delivered via email monthly and is also available in your Uconnect app, allowing you to review the status of key vehicle systems and quickly determine if further action is needed.

**Vehicle Health Alert:** Receive an email alert if problems are detected with key systems under the hood. The alert informs you if you need to schedule an appointment with the service department.

### More Connected Services Provided by Uconnect + SiriusXM Guardian

**4G Wi-Fi Hotspot:** Connect up to eight devices to your vehicle's private network – operates up to 50 feet away from your vehicle (subscription required).

**Alexa Skill:** Command your vehicle using your voice and an Alexa-enabled device ... anywhere you use an Alexa-enabled device (coming soon).

**Google Assistant:** Command your vehicle using your voice and Google Home (coming soon).

**Online Search:** Find places to eat, shop, relax and play – and find them faster, with search results provided by Google. Online Search works with your Uconnect navigation to conveniently deliver the best results.
